

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 22, 1995

SUBJECT: **SB 1634 - HB 1608**

This bill, if enacted, will allow state, county, or municipal law enforcement agencies to enforce traffic laws on privately owned streets that are dedicated as rights of way for traffic and are located within a residential development having a combination of single family and multi-family dwellings.

The fiscal impact from enactment of this bill will depend upon the revenue from fines paid for conviction of traffic offenses in these areas versus the increased cost to patrol such areas. The net fiscal impact is estimated to be insignificant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
